MEMORANDUM FOR: DEPUTY COMPTROLLER

THROUGH : ADPC

SUBJECT : Clarification of Regulations Concerning Entertainment  
of U.S. Government Officials.

1. I believe it is the intent of Confidential Funds Regulation, Part VII, 7.2, a. to provide appropriate entertainment as a means of facilitating the business of this Agency.

2. My duties as Chief of Plans Division, OPC necessarily involve me in considerable contact with important officials of other Agencies and Departments. In fact because my duties involve the coordination of OPC activities with other Departments, my business is conducted with almost entirely government officials. Occasional appropriate entertainment of such officials is a recognized means of facilitating good relations between this Agency and other Departments.

3. I am performing duties in this Agency on a level above that which normally falls upon Officers of my equivalent rank in the Military Establishment. Consequently my remuneration is inadequate to tender the normal social amities to officials of other Agencies with whom I am normally associated in the course of my official duties.

4. I therefore request that the Certifying Officer be directed to interpret the subject regulations so as to permit the appropriate entertainment of U.S. officials (as per the attached voucher) or that subject regulations be modified so as to authorize such certification.
